

Science on Saturday

Dear Parents,

Your child is invited to attend the Science on Saturday event for grades 1-6 on **Saturday April 12, 2008** at the Nobel Hall of Science on the Gustavus Campus. Gustavus students from the Chemistry, Physics, Geology, and Biology Clubs will lead a variety of science demonstrations and experiments. Your child will have the opportunity to participate in experiments, learn science fundamentals and have a fun time. Parents are welcome to stay for the event.

This event is free, but registration is required. **Please register by Friday, April 4** by contacting Ryan Espy (respy@gustavus.edu) and providing student's name, grade, school and an emergency contact number. Any questions may be directed to Ryan or the Gustavus Chemistry office at 507-933-7320. We are all excited about this experience and hope you are able to join us.

Sincerely, Erik Anderson, President, Gustavus Chemistry Club
