Department of Chemistry: Environmental Chemistry

Gustavus Adolphus College invites nominations and applications for a one-year position of Visiting Assistant Professor for the Department of Chemistry to begin September 1, 2008.

We seek candidates who have an earned doctorate, but will consider candidates who have achieved ABD status. The successful candidate should have prior experience with coursework and/or research in environmental chemistry.

Primary responsibilities will include General Chemistry, associated labs, a January-Term course, and a 200-level Environmental Chemistry course with lab.

To apply, send curriculum vitae, statements of teaching philosophy and research interests, transcripts (photocopies acceptable), and three letters of professional recommendation to:

Dr. Lawrence W. Potts, Chair
Department of Chemistry
Gustavus Adolphus College
800 West College Avenue
Saint Peter, MN 56082-1498
www.gustavus.edu/humanresources

For more details, visit the department web site at: www.gustavus.edu/academics/chem or contact Dr. Potts at 507-933-7320 or potts@gustavus.edu. Review of applications will begin in late March, and continue until the position is filled.

Gustavus Adolphus College is a coeducational, private, Lutheran (ELCA), residential, national liberal arts college of 2500 students. It is the practice of the College to provide equal educational and employment opportunities for all. We specifically encourage applications from women, minorities, and persons with disabilities.
