

Taizé Volunteer Form 2002-2003

You are invited to assist in Taizé Contemplative Worship Services by volunteering to serve as a musician, reader, or cantor. You may also serve by helping to set up the worship space, and by cleaning it up again after the service.

Volunteers are invited on a rotating basis, several days before the Sunday on which they will serve. In your volunteer week, it is best if you plan to arrive at 8:30 p.m. and stay after the service about 10 or 15 minutes to clean up.

If you would like to volunteer, please fill in this form and leave it on the Taizé table when you leave, or send it to Kari Lipke through campus mail. Thanks!
