Students living in Norelius, North, Gibbs, Sorensen, Uhler, Rundstrom, Southwest Hall Suites, Sohre, Pittman, Carlson International Center and Prairie View, will need to select one of the following (3) meal plans, (the cost of each plan includes \$150.00/semester indirect facility and staffing fees which the college assesses at the beginning of each semester.) :

Please check Option 1, Option 2, or Option 3, then sign and date this form (over): Failure to return form to Student Accounts office will result in default enrollment in Option #1.

_____ **Option 1** - \$2500.00 per year to be billed in two installments along with Fall and Spring semester tuition. This option is geared toward the Gustavus student who spends many weekends away from campus, has a lighter appetite, usually eats 10-13 meals per week on campus, and purchases few convenience food items in the Market Place's Grab-n-Go area. Student meal accounts will be credited with the Fall Semester allocation on September 1, 2007 and with the Spring Semester allocation on January 20, 2008. Students may request that the Spring Semester allocation be issued earlier however, if they run short prior to January 20th. In this plan, positive account balances *are not* carried forward from semester to semester or year to year. 2007-2008 meal plans end on June 1, 2008.

_____ **Option 2** - \$2800.00 per year to be billed in two installments along with Fall and Spring semester tuition. This option is geared toward the student who spends greater than half of the weekends on campus, usually eats 13-17 meals per week on campus, and purchases some convenience/grocery items in the Market Place's Grab-n-Go area. Student meal accounts will be credited with the Fall Semester allocation on September 1, 2007 and with the Spring Semester allocation on January 20, 2008. Students may request that the Spring Semester allocation be issued earlier however, if they run short prior to January 20th. In this plan, positive account balances *are not* carried forward from semester to semester or year to year. 2007-2008 meal plans end on June 1, 2008.

Meal Plan Options Continued:

_____ **Option 3** - \$3000.00 per year to be billed in two installments along with Fall and Spring semester tuition. This option is geared toward the student who spends the majority of weekends on campus, regularly eats 17-20 meals per week on campus, and chooses to purchase convenience food items in the Market Place's Grab-n-Go area. Account balances of up to \$150.00 are carried forward from semester to semester and year to year until the *earlier* of student graduation or last date of attendance. For example:

Sam Sophomore selects Option 3 and has an account balance of \$125.00 on January 20th. In this case, the entire balance of \$125.00 would be added to the Spring Semester allocation.

Jennifer Junior selects Option 3 and has an account balance of \$225.00 on January 20th. In this case, a balance of \$150.00 would be added to the Spring Semester.

As in Options 1 and 2, meal accounts will be credited with the Fall Semester allocation on September 1, 2007 and with the Spring Semester allocation on January 20, 2008. Students may request that the Spring Semester allocation be issued earlier however, if they run short prior to January 20th. 2007-2008 meal plans end on June 1, 2008.
