Ken Westphal, vice president for finance and treasurer, reports the following for the 2003–2004 operations:

Moody's Investors Service recently visited the College and reaffirmed its A3 rating. The two principal reasons cited for the rating were: 1) "having a well-established market position, with continued sound student demand" and 2) "achieving favorable operating performance and coverage of debt and operations, driven by sound fiscal management." The College has achieved an operating profit, before endowment gains/losses, for 30 consecutive years.

Brenda Moore, vice president for institutional advancement, writes:

Dear Gusties,

Gustavus Adolphus College is truly fortunate. In this final year of the "Building a Greater Gustavus" Campaign, we successfully completed and surpassed our goal of \$100 million in outright gifts and future commitments. This was done thanks to the countless gifts, time and involvement of you, the alumni, parents and friends who strive to make Gustavus the best it can be. Through this year's annual "honor roll" of donors, we recognize all those whose campaign period commitment totaled \$25,000 or more, in addition to all those whom we traditionally acknowledge in this publication.

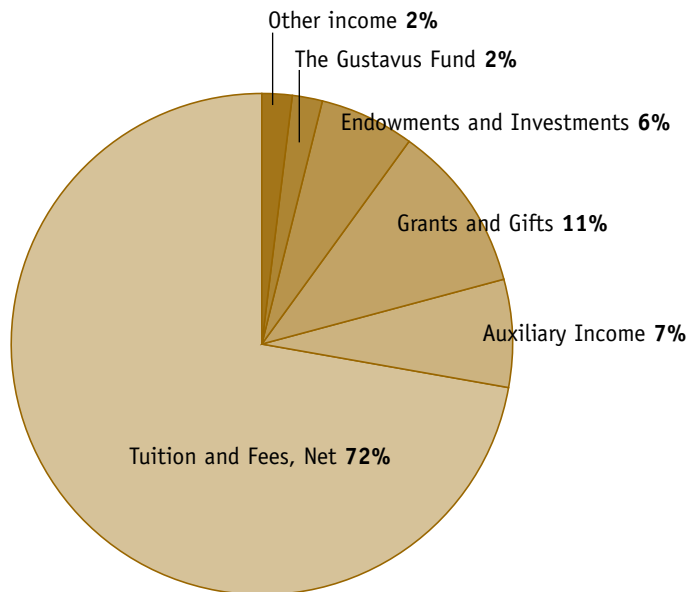

Your confidence in the mission and vision of Gustavus—as demonstrated through your philanthropy—helps us look towards a bright future for the College. Thank you for your personal generosity and for your willingness to help encourage others to join you in your support of Gustavus. Thank you for giving the gift of Gustavus to students for generations to come.

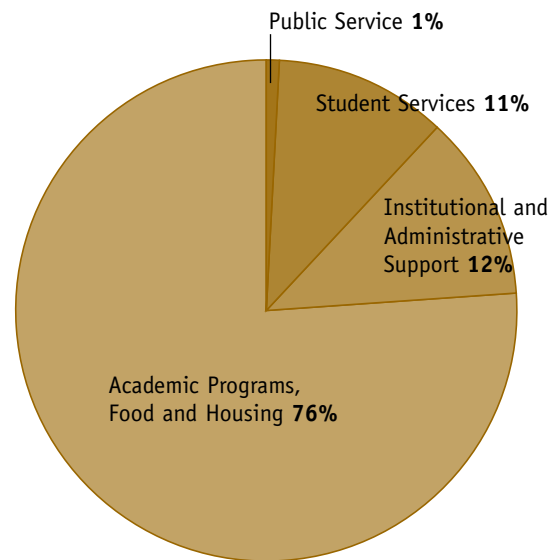

With gratitude,

Brenda J. Moore

BUILDING A GREATER GUSTAVUS

CAMPAIGN LEADERSHIP GIFTS

Gifts, pledges, deferred and planned gifts, and documented estate gifts totaling \$25,000 or more provided more than \$90 million toward the achievement of a \$100 million goal.

Campaign leadership gifts recognize gifts and pledges of \$25,000 or more given to Gustavus during the campaign timeline of June 1997 through May 2004. The Building a Greater Gustavus campaign has moved the College forward toward the realization of the following strategic plan priorities:

- The addition of \$22 million in gifts and pledges for more than 100 new endowed scholarships significantly enhanced the College's ability to recruit, retain and graduate a talented and increasingly diverse student body.
- With \$4.5 million pledged for the endowment of academic chairs and \$1 million in grants and gifts for faculty development, Gustavus enjoys an increased capacity to attract and keep the best professors.
- Grants and gifts totaling more than \$4 million enhanced student learning through the addition of new programs, student/faculty research opportunities, and improved technologies and equipment.
- Post-tornado rebuilding projects were funded in part with insurance proceeds, but also with \$23 million in charitable gifts given during this campaign. Another \$3.5 million will fund Old Main renovation.
- Outright gifts for endowment exceeded \$16 million, and another \$37 million in deferred gift commitments helps to secure the College's financial future.
- \$10 million in unrestricted Gustavus Fund gifts were raised, and a downward trend in alumni giving participation was reversed.

GUSTAVUS

REN ANDERSON SOCIETY

The Ren Anderson Society provides strong financial resources to students experiencing a quality Gustavus education.

Ren Anderson '34 (standing center) started the Gustavus Fund in 1954 while director of public relations and alumni affairs at the College. Sons Tom '63 (standing left) and Jim '60 are pictured here with their parents on the occasion of Tom's ordination in 1967. Seated are Jim's wife, Diane Hammargren Anderson '63 (left), and Ren's wife, Sylvia Benzon Anderson '36.

The Ren Anderson Society is comprised of donors who give undesignated gifts of \$1,000–\$4,999 to the Gustavus Fund.

Undesignated gifts to the Ren Anderson Society recognize the importance of the Gustavus Alumni Fund in providing leadership for the College. It is named after the longtime vice president for public relations and development who was recognized as a creative leader in the development of Gustavus.

GUSTAVUS

CEC ECKHOFF SOCIETY

Join us, in the spirit of Cec. The Cec Eckhoff Society recognizes individuals who make a lifelong pledge of commitment to making a gift to the Gustavus Alumni Fund.

*"I wish we could all have the
same enthusiasm he had for
Gustavus and its alumni."*

—June Naplin Christenson '46

Cec Eckhoff '56 joined the Gustavus staff in 1963 and became leader of the most recognized alumni fund in American higher education. Under his leadership, the College earned an unprecedented 10 consecutive national awards in recognition of Gustavus' percentage of alumni fund participation. Cec took great pride in all the alumni who were involved and knew most by name; Gusties took great pride in the fact that Gustavus won more awards for outstanding performance than any other college in the nation. Last year, the Cec Eckhoff Society was formed to honor Cec's extraordinary commitment to excellence and his passion for Gusties' participation in the alumni fund. The **Cec Eckhoff Society** recognizes individuals who make an ongoing annual gift to the Gustavus Alumni Fund. By joining the Cec Eckhoff Society, you affirm your appreciation for what Gustavus has given you or your family over the years.

GUSTAVUS

ALUMNI

Alumni provide significant moral and financial support for Gustavus Adolphus College.

Gifts from our alumni are a key component to the success of the College. Your gifts in support of the Alumni Fund, endowment, scholarships, and capital make a difference in the lives of today's students. You are appreciated by the students, faculty, and staff for the gracious gifts you give in support of our mission to "educate and help students attain their potential as persons, to develop in them a capacity and passion for lifelong learning, and to prepare them for fulfilling lives of leadership and service in society."

The number of classmates making a gift between June 1, 2003, and May 31, 2004, as well as the total class giving to all funds, is noted at the beginning of each class listing.

GUSTAVUS GUSTAVUS HERITAGE PARTNERS

The Gustavus Heritage Partnership was established in 1988 to recognize those individuals who have thoughtfully and generously included a gift to Gustavus in their gift plans. Today there are nearly 700 members of the Gustavus Heritage Partnership.

Gustavus Heritage Partners, both alumni and friends, believe in the College's mission. They carry forward the high standards and traditions of the past and they are partners with Gustavus today. They know that their gifts will help ensure the quality of Gustavus and its faculty, students, and educational opportunities. They also understand that an endowment or planned gift is part of their personal legacy that will forever live on in the future generations of Gustavus Adolphus College.

New Gustavus Heritage Partners are recognized at the annual Gustavus Heritage Partnership luncheon. They also receive a gift in appreciation of their vision and generosity. For those who prefer to anonymously support the College, their gift and membership will remain confidential.

We invite you to consider membership in the Gustavus Heritage Partnership by joining other alumni and friends who have invested in the future of the College. Membership is offered to alumni and friends who make provisions for Gustavus in one or more of the following ways:

- A bequest.** Name Gustavus Adolphus College a beneficiary in a new or revised will or add a codicil to an existing will.
- A future gift from an IRA, retirement plan, pension, or other qualified plan.** Name the College as a beneficiary for such plans or direct the plan into a testamentary trust.
- A gift annuity arrangement.** Enter into an agreement with Gustavus Adolphus College for a charitable gift annuity, a deferred gift annuity, or a flexible gift annuity to provide an income for one or two lives.
- A life estate.** Make a gift to Gustavus Adolphus College of your home or farmland, retaining use of the property during your lifetime.
- A trust.** An irrevocable charitable remainder unitrust or annuity trust can benefit the donor(s) today and the College in the future. A revocable trust arrangement can also establish future provisions for Gustavus Adolphus College.
- An endowed scholarship.** Establish an endowed scholarship to benefit Gustavus Adolphus College students. The scholarship will be awarded annually when the endowed fund reaches \$25,000.
- An insurance policy.** Name Gustavus Adolphus College as the sole or partial beneficiary on a life insurance policy (minimum insured value \$50,000). You may also gift the ownership of an existing policy to the College.
- An outright gift.** Establish a restricted endowment fund using cash, property, stock, etc. (minimum of \$25,000).

To become a member of the Gustavus Heritage Partnership, simply notify us of your intentions in writing. If you would like to learn more about planned giving opportunities at Gustavus, please contact:
