

Motorized Personal Mobility Vehicle Use Policy

I. Introduction

Gustavus Adolphus College promotes transportation options which improves or expands access to, from, and around campus and supports environmental sustainability efforts. The following policy is designed to ensure that low speed Motorized Personal Mobility Vehicle programs and options which meet this need are implemented in such a way so as to maintain a safe and well-regulated campus.

II. Definitions

- I. “Motorized Personal Mobility Vehicle (MPMV)” is a motorized personal transportation device that includes, but is not limited to bicycles, scooters, skateboards, segways, onewheels, etc. that:
 - a. is powered by an electric motor or internal combustion engine that is capable of powering the device with or without human propulsion;
 - b. has an engine capable of producing not more than 750 watts of power or less than one (1) horsepower; and
 - c. has a maximum speed not to exceed 20 mph on a flat surface under motor power alone.
- II. “College property” or “campus” includes, for the purposes of this policy, any property owned, leased, or controlled by the College, including: sidewalks, walkways, buildings, grounds, parking lots, structures, athletic and recreation facilities, and streets - as well as streets and roads adjacent to any property owned, leased, or controlled by the College.

III. Entities Affected

This policy applies to all colleges, departments, organizations, or individual members of the campus community, including faculty, staff, students, contractors, volunteers, patients, customers, and visitors operating a MPMV on College property.

IV. Policy

Operation

MPMV's should be operated in a safe and courteous manner at all times. In addition to adhering to requirements in the manufacturer's owner's manual, the following policies apply to the operation and use of MPMVs:

1. College owned MPMVs require [registration](#) and [training](#) prior to authorized use.
2. MPMVs should operate within bike lanes when available, on streets, and designated campus sidewalks or shared-use paths (except in heavily congested pedestrian areas).
3. MPMVs must obey all traffic signs and signals and follow traffic laws.
4. MPMVs must yield to pedestrians at all times.
5. Operators must dismount MPMVs in heavily congested pedestrian areas.
6. MPMVs must ride with the flow of traffic. Do not travel the wrong way in a bike lane or on a street.
7. MPMVs are to be used for mobility purposes only. Racing, stunt and trick riding is prohibited.
8. Operating MPMVs is strictly prohibited from Sunset to Sunrise.
9. MPMVs are prohibited in any campus building or on elevated pedestrian walkways.
10. MPMVs may only operate on paved surfaces.

Parking

11. MPMVs requiring electrical charging must meet electrical safety standards set forth by the Underwriters Lab (UL) and be certified as UL Listed. MPMVs not certified by the UL are prohibited on College property.

MPMV's must be parked at or adjacent to bicycle racks or other designated areas, which can be found on the [Campus Bicycle Map](#).

1. MPMVs may not block walkways, entries to buildings, or obstruct disabled access.

2. MPMVs may not be placed adjacent or affixed to structures or architectural elements, including but not limited to: emergency phones, handrails, trees, fences, bus shelters, benches, light poles, signage, or parking meters.

Restricted Regions

The College reserves the right to designate dismount zones or reduced speed zones at any time and on any part of campus if deemed necessary. When and if implemented, MPMVs will be subject to the restrictions set forth in those regions, which will be designated with signage.

V. Enforcement

Any MPMV operators that do not follow the policies outlined herein are subject to fines, impoundment, or other sanctions. Gusties on the Go reserves the right to revoke use privileges for 1 year upon failure to comply with these rules.

VI. Safety

- a. Use of a helmet while operating a MPMV is required.
- b. Use of headphones or ear buds while operating a MPMV is prohibited.
- c. When passing pedestrians, slow down and allow plenty of clearance.

VII. Other Vehicles

For the purposes of the Gustavus Adolphus College, any MPMV that exceeds the engine capacity or speed parameters set forth above are in the same class as motorcycles, and therefore are not permitted to operate on sidewalks, in bike lanes, or park at bicycle racks. Motorcycle-class vehicles must register for a [Parking Permit](#) through Campus Safety and park in motorcycle parking areas.
