

# Science on Saturday

Dear Parents,

Your child is invited to attend the Science on Saturday event for grades 1-6 on **Saturday April 14, 2007** at the Nobel Hall of Science on the Gustavus Campus. Gustavus students from the Chemistry, Physics, Geology, and Biology Clubs will lead a variety of science demonstrations and experiments. Your child will have the opportunity to participate in experiments, learn science fundamentals and have a fun time. Parents are welcome to stay for the event.

This event is free, but registration is required. **Please register by Friday, April 6** by contacting Max Leither ([mleither@gustavus.edu](mailto:mleither@gustavus.edu)) and providing student's name, grade, school and an emergency contact number. Any questions may be directed to Max or the Gustavus Chemistry office at 507-933-7320. We are all excited about this experience and hope you are able to join us.

Sincerely, Kristin Kaplan, President, Gustavus Chemistry Club.

## Schedule

8:15-8:30	Arrival and Check-in (Wallenburg Auditorium, Nobel Hall)
8:30-8:40	Welcome and Introduction
8:40-9:20	Session 1
9:20-10:00	Session 2
10:00-10:30	Liquid Nitrogen Ice Cream
10:30-11:10	Session 3
11:10-11:50	Session 4
12:00	Students dismissed
