Professional Accomplishments

Gustavus Adolphus College

- Blackboard Pilot Project, 2004-05. Coordinating a one-year pilot program to evaluate the value of course management resources to teaching and learning. Recruited a small, diverse group of faculty and their students to participate.
- TechBridge Faculty Development Program, 2001-05. Overseeing a faculty development grant program that assists faculty integrate technology into their courses. Nearly 20 faculty have infused technology into the courses they teach through this program.
- Team-Teacher for HES237: Information Literacy for Health/PE, 2001-04. Develop curriculum and team-teach technology literacy course required by ISTE for education majors with Dr. Jeanne Herman.
- FTS Guest Lecturer, 1998-04. Served as a guest lecturer/instructor in several FTS courses across all divisions.
- Presentation at HEDIR Technology Seminar, 2004. Co-presenter at national conference on classroom technology and assessment.

Professional Accomplishments

- Presentation at AAPHERD, 2002. Co-presenter at national conference on integrating technology into higher education courses.
- Summer Institute Workshop, 1993-1997, 1999-2004. Organized and coordinated a weeklong technology training program. Over 50% of the Gustavus faculty and staff have participated in the program.
- TechFridays/TechTalks, 1995-2004. Organized weekly gatherings where faculty shared their classroom experiences with technology with their peers. TechFridays evolved into TechTalks, which were monthly meetings where various technology “hot topics” were discussed in an open forum with the IT staff and guest speakers.
- Technology Training Program, 1993-2004. Developed curriculum, wrote documentation, and taught courses on desktop applications to Gustavus community.
- Student Consulting Assistant Program, 1993. Initiated and supervised the CA program. Student CAs serve as liaisons between academic departments and Academic Computing /Information Technology.
- Helpline/Helpdesk, 1992.
