

*Senior Capstone Experience  
Integrated Assessment Form*

The Capstone Committee Reviewer will prepare and distribute the Integrated Assessment Forms to the members of the Capstone Committee. Each committee member will provide written comments assessing the oral presentation of the Integrated Assessment (or a printed copy of the IA when there is no oral presentation). After the recital, the IA forms are returned to the Reviewer who will read the comments before assigning a final grade to the IA abstract. The abstract grade represents ten percent of the final Senior Capstone Experience grade.
