Application to Continue Study Toward the Major in Music

The faculty of the Department of Music require that each second year student in music be evaluated and complete an application for continued study toward the major in music. The purpose of this process is to assist the student, in consultation with his or her advisor, in assessing progress and making decisions about future goals and directions. The evaluation will be completed in March. Students should complete this form and return it to the Department of Music Office by February 25.
