

SCHOLARSHIP DAY

February 22, 2020

Welcome to Gustavus Adolphus College!

Thank you for making the trip to Saint Peter and preparing yourself for today. You have joined a talented group of students on campus today, and we could not be more excited to have you here. Please use this master schedule to explore your options throughout the day.

Scholarship Day Headquarters | 9:30 AM – 12:30 PM; Beck Hall Atrium

For many of you, the Beck Hall Atrium will be your home base for today's events, whether you are looking to visit with someone from the admission office, ask financial aid questions, connect with a student tour guide, or learn more about academic offerings and our campus community. We are happy to help with anything you may need!

Personal Interviews and Auditions | 9:30 AM - 4:30 PM; See your personalized schedule

Auditions, interviews, and critiques take place in Beck Hall, Old Main, and the Fine Arts buildings. Students are encouraged to arrive at the interview location about 10 minutes before their scheduled interview time unless more time is needed to warm-up for an audition. During interviews and auditions, we ask that parents and other guests enjoy the Beck Hall Atrium, the STEAMery Cafe in Nobel Hall of Science, Jackson Campus Center, Library, and other common areas on campus.

Sessions and Tours | 9:30 AM - 12:30 PM; Beck Hall Atrium

The sessions and tours in Beck Hall are open to all students and families. You may choose additional opportunities around your personal schedule. We know some of you have a very busy day, so we welcome you to visit again if you can't fit it all in today.

Luncheon | 12:30 - 1:20 PM; Alumni Hall

Please join us for a delicious meal and engage in conversation with current Gusties and other guests.

BREAKOUT SESSION OPTIONS 9:30 AM - 12 PM

9:30 - 9:55 AM

PANEL: Undergraduate Research, Beck Hall 101

Undergraduate research is an important part of the Gustavus academic experience; students from a variety of disciplines present their collaborative research at forums and conferences around the country. This panel will allow you to ask questions of current students who have worked closely with faculty and their peers on various research topics.

SESSION: Pre-Health Programs, Beck Hall 201

Our exceptional science curriculum and dedicated advising resources provide phenomenal preparation for medical and professional school. Ask questions and learn about the hallmarks of our programs, distinctive opportunities, where our students are attending medical and graduate school, and what makes them strong applicants.

10 - 10:25 AM

PANEL: Achieving Excellence at Gustavus, Beck Hall 101

This interactive session features a panel of current President's Scholars discussing leadership, service, research, extracurricular involvement, and more. Come hear how opportunities at Gustavus will broaden your academic experience.

This panel will allow you to ask questions of current students who have worked closely with faculty and their peers on various research topics.

PANEL: Athletics, Beck Hall 201

Current Gustavus student-athletes will talk about NCAA Division III athletics at Gustavus. Topics may include academic/athletic balance, managing schedules, the athletic experience, the recruiting process, and any other questions you may have.

11 - 11:25 AM

PANEL: Achieving Excellence at Gustavus, Beck Hall 101

This interactive session features a panel of current President's Scholars discussing leadership, service, research, extracurricular involvement, and more. Come hear how opportunities at Gustavus will broaden your academic experience.

PANEL: Student Life, Beck Hall 201

Current Gusties discuss some of the many ways to engage, explore passions, give back, have fun, and relax here at Gustavus.

11:30 - 11:55 AM

PANEL: Performing Arts, Beck Hall 101

A panel of current Gusties will answer questions and discuss their involvement in music, art, and theatre/dance at Gustavus.

PANEL: Study Away, Beck Hall 201

Our study-away options include semester, year-long, or January Interim programs on six continents, allowing students to fully customize their experience based on their goals and curricular needs.

TOURS 9:30 AM - 12 PM

ALL TOURS DEPART FROM THE BACK OF BECK ATRIUM

When you are ready for a tour, check in at the west end of the Beck Atrium and we will connect you with a tour guide. In addition to the tours listed, we are happy to show specific buildings and facilities at your request.

Campus tours are designed for either the first-time visitor or as a refresher if you have already seen campus. You will see most of our academic buildings, recreation and wellness areas, the library, worship spaces, and the campus center. **Plan on one hour for a full campus tour.**

Residence hall tours give you the opportunity to see two of our first-year residence halls, Norelius and Pittman. **These tours leave at your convenience and last approximately 25 minutes.**

Nobel Hall of Science tours offer a thorough look at the newly-completed phase of our \$70 million project including cutting-edge instrumentation, flexible classrooms, and well-equipped laboratories. **Plan for 25 minutes for these tours, departing every half-hour between 9:30 AM - 12 PM.**

Physics/Pre-Engineering tours will highlight research equipment and spaces they use to engage in undergraduate research alongside our faculty members. **These tours last 25 minutes and depart every half-hour between 9:30 AM - 12 PM.**

Performing arts tours may feature a visit to our music library, private studios, rehearsal space, and the recital hall depending on your area of interest. You can also see Anderson Theatre and its backstage areas, including the scene shop and costume shop. **Departing at your convenience, these tours will last 25 minutes.**

DEPARTMENTAL SESSIONS 12 - 12:25 PM

12 - 12:25 PM Faculty-Led Academic Sessions

If your schedule allows, we invite you to meet with faculty from your area of interest for a brief presentation to learn more about our strong academic programs. Open or still deciding? Pick one and enjoy a great conversation!

Biology, Beck Hall 201

Chemistry, Biochemistry and Molecular Biology, Beck Hall 111

Economics and Management, Beck Hall 101

Nursing, Beck Hall 113

Physics and Pre-Engineering, Beck Hall 121

Political Science, Beck Hall 119

FEATURED SPEAKERS

Rebecca M. Bergman | President of Gustavus Adolphus College

Rebecca M. Bergman is the 17th President of Gustavus Adolphus College. Prior to assuming the presidency in July 2014, President Bergman had a 26-year career at Medtronic, Inc., a leading medical technology company. She most recently served as Vice President, Research, Technology and Therapy Delivery Systems for Medtronic's Cardiac Rhythm Disease Management business. President Bergman believes in the inherent strengths of the Gustavus community, the passion of the faculty and students for teaching and learning, and the commitment of the College to its core values. She is a champion of mission-driven organizations, innovation, and the development of future leaders.

Brenda Kelly, PhD | Provost and Dean of the College

Brenda Kelly is Provost and Dean of the College and Associate Professor of Biology and Chemistry at Gustavus Adolphus College. Prior to becoming the interim Provost (2016) and permanent Provost (2018), she served as Associate Provost and Dean of the Sciences and Education (2015-16), Chair of Chemistry (2011-2015), and Director of Biochemistry and Molecular Biology (2013-14). Kelly holds a doctorate in medicinal chemistry from the University of Washington and completed a post-doctoral fellowship in the Biochemistry Department at the Medical College of Wisconsin prior to her arrival at Gustavus.

Kara Buckner '97 | Chief Strategy Officer/Managing Director, Fallon Worldwide

Kara's career is an eclectic mix of art and commerce. Currently the Managing Director and Chief Strategy Officer at Fallon, Kara has helped shape iconic brands, like Nordstrom, Google, and PBS. Her teams have been awarded EFFIEs, an Emmy, and Kara has been named to Ad Age's Top 30 Under 30. As an entrepreneur, she has co-founded several small businesses and run her own strategic consultancy. And as a freelance writer/photographer, she has blogged her way across all seven continents.
