As part of the reunion program, the Alumni Office prints an edition of our addresses and brief biographies. We’d like to go a step further and invite you to submit a brief (300 words or less) essay/ remembrance/ reflection of your time after graduating from Gustavus. Use the following questions to get you started and send your reflection back to us in the enclosed envelope:

Is there someone you knew or something from your time at Gustavus that sustained you through time of failure or success?

What has been the greatest source of meaning or joy in your life?

For what are you grateful?

Was there a particular event or period of time that you regard with wonder and awe?

Your thoughts or emotions fifty-five years after graduation?

Your remembrances and reflections as you choose to describe them.
