## JUNIOR SUMMER SPEECH INSTITUTE

GUSTAVUS ADOLPHUS COLLEGE

The goal of the Junior Summer Speech Institute is to get students excited about speech in an educational, fun, and non-threatening environment. As no experience is necessary to attend, students will learn the basics of speech development while engaging in daily vocal warm-ups, skills workshops, individual coaching sessions, and Gustavus value sessions. The curriculum is modeled after the Gustavus High School Summer Speech Institute; however, modifications have been made in order to accommodate for age and experience level. 35 students from Minnesota, Missouri, North Dakota, and India attended the 2014 Institute.
