

The final week of the January Interim for us! The very last one...
Enjoy touring week and we look forward to seeing you all in the Spring semester.

[Podcast #62](#) featuring Lucy Lindstrom '22, U of MN Duluth Medical School. She shares her current experience attending the University of MN Duluth Medical School and the hard work it took to get there. Hear about the [scholarship](#) she applied for and received that covers all of her costs to attend medical school! Listen [HERE](#)

Heather & Heidi

Attention: Pre-Med Students

AAMC PREview® Professional Readiness Exam is designed to look beyond academic metrics to assess and evaluate professional competencies. A growing number of U.S. medical schools have adopted the AAMC PREview® exam into their admissions processes.

PREview exam registration will open on Wednesday, Jan. 31, 2024 @ approximately 10 a.m. ET.

Please note that the following policy changes have been made for the 2024 testing year:

- Examinees are allowed to retest one (1) time per testing year.
- There is a new lifetime maximum of four (4) times to take the exam.
- Examinees who have been approved for the AAMC Financial Assistance Program can take the first exam free of charge; future attempts will be at a 50% discount.

Webinar on the PREview exam: Thursday, Feb. 8, at 12 CST

For students: [PREview® Nuts-n-Bolts: Scheduling and Taking the AAMC PREview Professional Readiness Exam](#)

Attention Pre-Dental Students

Priority application deadline for the 2024-25

U of MN Discover Dental School (DDS) program is January 30, 2024!

DDS will be a hybrid experience, with live Zoom sessions June 2024-May 2025, asynchronous online learning and assignments via Canvas, and an intensive three day hands-on session at the dental school during the summer of 2025. The program will run June 3, 2024 - May 30, 2025.

This program is free for participants!

Application is required - [apply here](#). The **priority** application deadline is **Tuesday, January 30, 2024**. The *final* application deadline is Monday, February 19, 2024 - no late or incomplete applications will be accepted/considered. *The application includes required essays and the name of one professional reference.* Applicants will be notified if they have been selected for the program by Friday, March 1, 2024.
