

Road Trip! Today (Heather) is spending the day at Creighton University (Omaha, Nebraska) to learn, tour and experience their health profession programs. I am looking forward to learning more about what makes Creighton unique and what they are looking for in a competitive applicant.

Podcast #29 will not be available until next Wednesday, March 2nd! We will be talking with Gustavus Nursing Department Chair, Heidi Meyer about the Gustavus nursing program and information on the application and selection process.

Stay tuned...and stay warm.

Thanks!
