Meeting #3 WEB Summary

Welcome
Chair Wayne Peterson welcomed the group and reviewed the Interdisciplinary Task Force Charge and Strategic Initiatives and provided an overview of the meeting agenda.

Health and Wellness Summary of Ideas
The group reviewed a summary of the ideas from Meeting #2 relating to Health and Wellness

Leadership Development
Members reviewed the Leadership Development Working Group report and considered the following questions:
• What aspirations does the Task Force have for Gustavus on leadership development? How could we describe Gustavus in 2020 relating to leadership development?
• What other topics and ideas regarding Leadership were not mentioned in the report?
• What in the Working Group Report should move to recommendations?
• What are the transformational opportunities the Task Force can recommend?

Environmental Stewardship
Task Force members reviewed the Environmental Stewardship Working Group report and considered the following questions:
• What aspirations does the Task Force have for Gustavus on this topic?
• What in the Working Group Report should move to recommendations?
• What other topics and ideas regarding Sustainability/Environmental Stewardship were not mentioned in the report?

Mining the Task Force for Interdisciplinary Program Ideas
Small groups generated ideas for possible new interdisciplinary programs or concepts.
