April Field Trip to....

Jack McGowan's Farm!!

Mankato

Saturday, April 28th

At 1:00 p.m.

Join us on the field trip and play outside on the playgrounds, oversized toys, play castles, and more!!

****Transportation will be provided**

Spring is here!!

Grab a friend, get outside and play
in the sunshine!

Here are some ideas:

- Camp in your backyard
- Go on a nature hike
- Embark on a treasure hunt
- Plant a garden, keep it all summer
- Build a birdhouse
- Go star gazing
- Watch the clouds
- Climb a tree
- Create fun games with friends-use your imagination!

Recipe: Rainbow Jell-O Parfait

Ingredients: One box of Jell-O for each color (red, orange, yellow, green, blue, purple), cool whip

To make: Prepare purple Jell-O as directed, using the "quick chill" method, meaning add ice. Pour Jell-O into glasses, reserving about 1/3 of the liquid Jell-O. Put glasses in the refrigerator and chill for 15-30 minutes. Mix about 1/3 cup of cool whip into the remaining purple Jell-O. Pour the Jell-O/cool whip mixture on top of the slightly set purple Jell-O already in the glasses. Repeat process for each color. Once set, top with some additional cool whip and sprinkles if desired.
