SAE Carnival
- April 21st:
Fieldtrip
- May 9th:
End of the Year Picnic

Indoor Winter Activity

Sad that there's no snow on the ground yet this winter?

Make a Homemade Snow globe!

Materials needed:

-Glass jar with lid (baby food jars work well), plastic figurine, waterproof glue, distilled water (can also use cooled tap or boiled water), glitter, liquid glycerin (to make glitter swirl)

1. Glue figurine to inside of lid; let dry.
2. Fill jar with water.
3. Squirt a little bit of glycerin in jar; add glitter.
4. Screw lid on tightly; flip over, and voila!

Photos from the November Sports Day Event

Thanks to everyone who participated,
and a big thanks to SAAC!
