- White cake mix
- Food coloring (red, blue, green, and yellow)
- Baking cups

Directions:

1. Prepare your favorite cake mix, then divide the batter evenly among six small bowls. Dye each bowl of batter a rainbow color, using the following chart.
 - Purple: 9 red drops, 6 blue drops
 - Blue: 12 drops
 - Green: 12 drops
 - Yellow: 12 drops
 - Orange: 12 yellow drops, 4 red drops
 - Red: 18 drops
2. Line 16 muffin pan wells with baking cups. Evenly distribute the purple batter among the cups, then the blue, and so on, following the order shown. As you go, gently spread each layer of batter with the back of a spoon to cover the color underneath.
3. Bake the cupcakes according to your recipe directions. Before serving, remove the paper wrapping, and if you like, top each cupcake with a whipped-cream cloud.

Wee Leprechaun

- First trace around the end of a toilet paper tube onto a piece of green craft foam.
- Draw a 2 1/2" circle around the first circle, then cut them both out to create a hat top and brim and set them aside.
- Next, using acrylic paints, paint the paper tube green. Add a skin-tone face and hands, plus rosy cheeks, as well as a band of brown paint around the back for hair.
- Once the paint has dried, use a permanent marker to draw on facial and clothing details, then use tacky glue to stick on 3 coiled brown pipe cleaners: 2 in the back for hair and 1 around the face for a beard. For feet, fold another pipe cleaner in half, then tightly coil and pinch the ends, as shown.
- Place the folded pipe cleaner inside the tube and glue the feet to the edge. Glue on the hat top and brim and a 5 1/2" - by 1/2" strip of craft foam for arms.
- Finally, glue a decorative button to the hat brim.
