Sunday: 9:00am - 8:30pm

## Dining Service Office Hours

Monday - Friday: 8:00am - 4:30pm

Phone: 507-933-7608

## Meal Plan Info...

### Which meal plan option should I choose?

### Ala Carte

### What if I use all my monthly allocation during the month?

### Where can I use my 3 Crowns Proximity card (Student ID)?

**OPTION 1** is for the student who may be a lighter eater. This student may be away from campus many weekends.

**OPTION 2** is for the student who may be on campus daily, but does not eat three meals a day. This student may be away from campus some weekends.

**OPTION 3** is for the student who will be on campus daily. This student may be involved in athletics, or require a higher caloric intake for another reason.

**OPTION 4** is for the student who will be on campus daily and wants to budget for a higher annual expense. This student may be involved in athletics, or require a higher caloric intake for another reason.

With an Ala Carte plan, you can purchase items, not a full meal. You are only charged for what you put on your plate. You can choose a banana or a bowl of soup and that's all you pay for. With an Ala Carte meal plan, there is less consumer waste and you can take your food "to go" in our Gustie Ware containers. Just remember to return the Gustie Ware!

If you spend more than your monthly allocation, when the next month's allocation is loaded onto your ID, the amount spent will be deducted and you will have the remaining funds to use for the rest of that month. At the point the declining balance account funds are exhausted, transactions will be charged to the student's account on a monthly basis.

You can use your 3 Crowns Proximity card (Student ID) in the Market Place, Courtyard Cafe, and The STEAMery.

## Monthly Allocations

On the first of each month, your student ID will have a monthly allocation loaded based on the number of days in the month that the college is in service.

If you do not use your full monthly allocation, \$20.00 will roll into the next month.

You can view monthly allocations on the Dining Service website under **General Information**.

## Can I make changes to my Meal Plan option?

You can move to a higher meal plan option any time by stopping in the Student Accounts Office or the Dining Service Office.

You can lower your meal plan option for Spring semester in the Student Accounts Office or Dining Service Office. Changes must be made by **December 6, 2024**.

## What if my cards gets lost or broken?

All student meal plan transactions must be made with your 3 Crowns Proximity card. Lost or broken cards may be replaced in the Campus Safety Office.

## Can I check my declining balance throughout the month?

Yes! To check your balance you can log onto the Gustavus website and type <https://gustavus.edu/account/balance/>. Click on the link and you will see what your balance is. You can also ask a cashier when you are purchasing items in the Market Place.

**Have your 3 Crowns Proximity card with you at all times on campus!!**
