TICKETING

All tickets are reserved seating. Doors to Christ Chapel open one hour prior to each service. **Please plan to be seated at least 15 minutes before the start of the service.**

Similar to other major concert venues, tickets should be printed at home and brought to the service to be scanned for entry.

Tickets are non-refundable after November 15.

To replace a forgotten ticket at the door, please go to will call at the main entrance.

SEATING

Doors open one hour prior to each service.

All seating is reserved. Seats are selected at time of ticket purchase.

Ushers will help guests find their seating location.

A limited number of disability seats are available for purchase for those in wheelchairs/walkers who are unable to move into a pew.

Plan to be in your seat by 2:15 p.m./3:45 p.m./7:15 p.m.

Guests should arrive 15-30 minutes before the start of the service to have time to be seated. Nearly 300 choir members fill the main entrance of the Chapel starting 10 minutes before the beginning of each service, making it difficult to be seated. If guests are not seated when the service starts, they will need to remain in the entry until the first congregational hymn, which is 15 minutes into the service. Please review your tickets and the Chapel diagram to find your seat location to expedite finding seats. Guests may enter through the east, north, or west doors.

View the Christ Chapel seating diagram on the event website.

A jib camera will be in front of section Campus 2 for Friday and Saturday performances.
