

## 2021-2022 Parent Income Information Verification

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Regulations say that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, Gustavus will compare your FAFSA with the information on this worksheet. If there are differences, your FAFSA information may need to be corrected. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed. **Return this form to the Financial Aid Office at Gustavus.**

### A. Student's Information

Student's Last Name	Student's First Name	Student's ID Number	
Address	City	State	Zip Code

### B. Parent Income Verification

**Important Note:** The instructions below apply to each parent included in the household. Notify the Financial Aid Office if the parents filed separate IRS income tax returns for 2019 or had a change in marital status after on December 31, 2020.

**Instructions:** Complete this section if the parents filed or will file a 2019 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at [www.fafsa.gov](http://www.fafsa.gov).* In most cases, no further documentation is needed to verify 2019 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer.

**Check the box that applies:**

- The parents have not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer 2019 IRS income tax return information into the student's FAFSA once the 2019 IRS income tax return has been filed.

If the parents filed separate 2019 IRS income tax returns, the IRS DRT cannot be used and a 2019 IRS income tax return along with applicable schedule(s) must be provided for each.

- The parents are unable or choose not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school a signed 2019 IRS income tax return along with applicable schedule(s).
  - Check here if a signed 2019 IRS income tax return along with applicable schedule(s) is provided.
  - Check here if a signed 2019 IRS income tax return along with applicable schedule(s) will be provided later.
