

2022-2023 Verification of 2020 Income for Dependent Student Tax Filer

Student Income Verification

Instructions: Complete this section if the student filed or will file a 2020 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at www.fafsa.gov.* In most cases, no further documentation is needed to verify 2020 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer.

Check the box that applies:

- The student has not yet used the IRS DRT in FAFSA on the Web, but will use the tool to transfer 2020 IRS income tax return information into the student's FAFSA once the 2020 IRS income tax return has been filed.
- The student is unable or chooses not to use the IRS DRT in FAFSA on the Web, and instead will provide the school with a signed 2020 IRS Form 1040 along with applicable schedule(s).
 - Check here if a signed 2020 IRS Form 1040 along with applicable schedule(s) is provided.
 - Check here if a signed 2020 IRS Form 1040 along with applicable schedule(s) will be provided later.

Certification and Signatures

Signing this worksheet certifies that all of the information reported on it is complete and correct.

The student must sign and date this form.
