

ADMINISTRATIVE ORGANIZATION, FACULTY, AND TRUSTEES

Responsibility for supervising and directing the operations of the College rests with the major divisional heads. They are:

1. The Vice President for Academic Affairs and Provost, who has general responsibility for planning, organizing, and administering the education program and services of the College under the President and for the development and administration of the academic program in cooperation with the Academic Deans and the faculty.
2. The Vice President for Admission and Student Financial Assistance, who has general responsibility for admission and student financial assistance.
3. The Vice President for College Relations, who has major responsibility for initiating college relation activities with a broad range of constituencies that enhance the standing and visibility of Gustavus Adolphus College as a premier liberal arts college and as a college of the Evangelical Lutheran Church in America.
4. The Vice President for Finance and Treasurer, who serves as the individual responsible for the physical plant, budgeting, personnel, intercollegiate athletics, and auxiliary enterprise activities of the College as well as being the chief financial officer.
5. The Vice President for Institutional Advancement, who has general responsibility for initiating resource development programs to meet the present and future needs of the College.
6. The Vice President for Student Affairs and Dean of Students, who is responsible for all Student Services, including Student Activities, Residential Life, Counseling Center, Career Development, and the Health Service.

These chief administrative officers, together with the President and Assistant to the President, constitute the Administrative Council, through which the various administrative offices correlate their activities.
