2. The Vice President for Enrollment Management is responsible for admission and student financial assistance.
3. The Vice President for Finance and Treasurer is the chief financial officer and is responsible for the facilities and grounds, budgeting, personnel, and auxiliary enterprise activities of the College.
4. The Vice President for Advancement is the chief fundraising officer and is responsible for initiating resource development programs to meet the present and future needs of the College, providing for the ongoing stewardship of the College's constituents, and overseeing the programs for alumni and parent involvement.
5. The Vice President for Marketing and Communication is the chief communications officer and is responsible for initiating college relations activities with a broad range of constituencies to enhance the standing and visibility of Gustavus Adolphus College as a premier liberal arts college and as a college of the Evangelical Lutheran Church in America.
