

## Core Course Proposal

**Instructor:** \_\_\_\_\_

**Department:** \_\_\_\_\_

**Course Number:** \_\_\_\_\_

**Title:** \_\_\_\_\_

**Course Description:** (catalog copy)

**Philosophy:** Explain your rationale and proposed procedure for addressing feminist issues in the course.

<sup>†</sup>**Materials:** List all required materials (i.e. readings, films, presentations, etc.) for the course. Please be sure that materials related to the discussion of gender and materials created by women are clearly identifiable as such.

<sup>†</sup>**Content:** Generally describe the structure, procedure, and central focus for the course. Please explain how you will relate gender issues to the subject matter of the course.

<sup>†</sup>**Student Work:** Explain what kinds of work students will do to complete the course and how they will incorporate gender issues into the work they do.

<sup>†</sup>These sections may be left blank if the information is clearly supplied by an attached syllabus.
