

Manage your health care, anywhere, with the AmeriHealth mobile app

Get the information you need, faster. The app features all-new navigation to help you manage your health care, quickly and easily.

Exciting new features

You'll notice some new features when you log in to your member account through the AmeriHealth mobile app. Now you can:

- Access Health Journeys for a quick view of everything related to your care, such as your Personal Health Record, benefit coverage, condition-specific information, quick access to care, and programs to help you with your personal health and wellness goals
- Build your care team for quick access to your primary care physician and preferred providers
- View personal reminders and activities to manage your health and care needs
- Easily find benefits and programs available to you

Same great tools, now easier to use

You still have access to the same tools as before, but now they are even easier to find and use. You can still:

- Quickly search for an in-network doctor, hospital, or other health care provider
- Estimate care costs for a procedure or appointment
- View, print, or share your ID card(s)
- Set and reach health goals with programs and resources that make it easy and fun

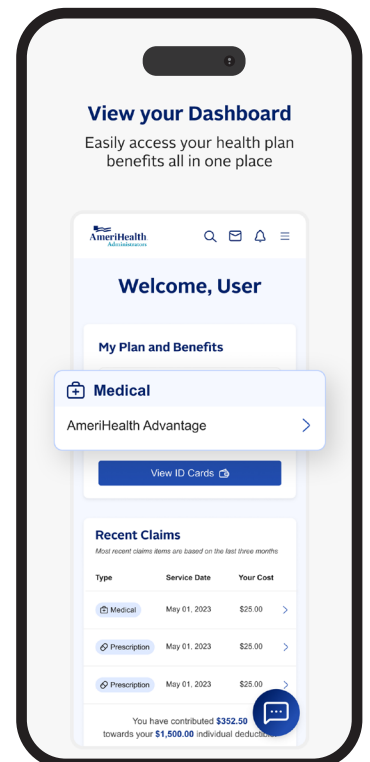

Log in today

If you haven't already, you can download the free AmeriHealth mobile app for your iPhone or Android. To log in, use the same username and password as you do when you log in at myahbenefits.com.

Download the app to your smartphone from the App StoreSM or Google Play.TM
