#### 29 y/o Survivor Mis-diagnosed with Lymphoma

"Struggles turn us into people we didn't know we could be, and cancer is no different. CancerCARE saved my life when I was misdiagnosed with lymphoma weeks after my cervical cancer diagnosis. They helped me turn my struggle into grace, strength, and knowledge to fight back. And that is an empowering combination."

#### 56 y/o Survivor Diagnosed with Esophageal Cancer

"I don't know how I would have made it through this treatment without your help and support. It is great to know if I have questions or problems, I can just call, and you angels take care of it."

### 29 y/o Survivor Diagnosed with Ovarian Cancer

"It is so nice to have someone fighting for me and helping me through all of this."

## 49 y/o Survivor Diagnosed with Renal Cell Carcinoma

"I'm not sure what I would have done without your help. You arranged for a second opinion at a hospital I didn't even realize I could go to and they recommended a totally different treatment. I have no way to thank you for possibly saving my life."
