

Physical Therapy at Nice Healthcare

Nice offers you access to licensed physical therapists when you get a referral from your Nice clinician.

Schedule a visit with your Nice clinician to see if physical therapy is right for you.

Nice's physical therapy service can help you with:

- Discomfort from sitting at a desk all day
- Soreness from lifting heavy objects
- Issues from a recent driving accident
- A recent injury that's still recovering
- Desire to prevent future injuries
- Other Musculoskeletal issues

How do I get started?

Sign into the app. You can download the app using the QR code to the left or by searching for "Nice Healthcare" in your app store.

Schedule a visit with your Nice clinician to determine if physical therapy is right for you. If appropriate, they'll refer you to our physical therapy team.

"I was very grateful for the opportunity. Having the virtual sessions was extremely convenient. I have meetings all day and have put off doing PT for a very long time. With the virtual option, you provided a way for me to do what was needed a long time ago!" - Nice Physical Therapy Patient
