ABSTRACT:

Records of the Irenian Association consist of the group's constitution, by-laws, rules of order, membership list, minutes, and the organization's publication The Excelsior. "Ladies of G.A. College in order to increase [their] stock of general knowledge, and discipline [their] mental powers for the work of life" formed the literary association in 1883. Their publication, The Excelsior, was written by the group's editor and members to be "both entertaining and instructive." The collection follows a chronological arrangement.
