ABSTRACT:

The Brödrabandets Uttryck collection consists of “newspapers” written by members of the student club Brödrabandet. The purpose of the club was to provide an opportunity for fellow students to worship and learn about God. Members held meetings every Saturday where they discussed Bible passages and worshiped the Lord through song and prayer. The purpose of the newspaper was not only to inform fellow students but to practice expressing God’s greatness. The text is written in Swedish.
