Materials include correspondence, reports, clippings, drawings, poems, and stories. George and Lorena Hall were the parents of Camilla Hall. From 1938-1952, George was a professor at Gustavus Adolphus College in St. Peter, Minnesota. In addition, he was a minister in the Lutheran Church in America and later the Evangelical Lutheran Church in America. Lorena Hall helped found the Art Department at Gustavus Adolphus College. BIOGRAPHICAL NOTES:

Camilla Hall was born in St. Peter, Minnesota during March 1945. She graduated from Washburn High School in Minneapolis in 1963 and attended Gustavus Adolphus College for her first year subsequently transferring to the University of Minnesota, Twin Cities. She graduated with a degree in humanities during 1967 and went on to work as a social worker in Duluth and Minneapolis, Minnesota prior to moving to California. On the west coast, Hall immersed herself in a variety of social movements and developed relationships with some individuals who eventually became active in the Symbionese Liberation Army (SLA). Hall's life ended on 17 May 1974 when she and several members of the SLA died during a gun battle with officers from the Los Angeles Police Department.

Lorena (Daeschner) Hall was born on 13 April 1911. After her husband was hired into the Christianity Department at Gustavus Adolphus College in 1938, Lorena helped found the college's Art Department. Hall studied art under Dr. Birger Sandzen and Henry Varnum Poor. While at Gustavus, Hall served as department head and taught beginning and advanced drawing and painting, commercial design, handicraft, and the history of art. Hall left Gustavus in 1952 when her husband took a missionary position in Tanganyika (Tanzania). She died on 9 June 1995.

George F. Hall was born during June 1908. Following degree work at Augustana College and Augustana Seminary in Rock Island, Illinois and professional experience in the Christianity Department at Bethany College in Lindsborg, Kansas, he was hired to teach in the Christianity Department at Gustavus Adolphus College. Hall remained at Gustavus from 1938 into 1952 when he and his family left to serve as missionaries in Tanganyika (Tanzania) under the auspices of the Commission on Younger Churches and Orphaned Missions. Following a career of service, Hall died during October 2000 in Cook County, Illinois.
