ABSTRACT:

The Gribly and Predecessor Publications collection consists of directories from 1929-present. These publications include photographs of students and faculty, academic majors, home/campus mail, campus e-mail addresses, and phone numbers. Faculty and staff are listed by department in some editions. Older publications list the hometowns of students and their residences on campus. Photographs were included beginning with the 1951-52 edition. Names are arranged alphabetically. The student directory became The Gribly during the 1966-67 academic year.
