ABSTRACT:

This collection contains editions of *Faculty Notes* from 1952-2000. Faculty members at Gustavus Adolphus College published this serial and submitted content. The most recent publications were topical while earlier editions had less focus. A controversial segment called Gustaviana contained quotes and comments concerning various aspects of the college community. Publication schedules varied with editions being monthly, quarterly, and biannually. Arrangement is chronological with some gaps. A partial index of the publication exists within the College Archives.
