ABSTRACT:

The Class Schedules and Lists of Students and Faculty collection consists of semester course planning materials from the 1920s through spring 1987. There are some substantial gaps between the 1920s and early 1960s and minor gaps in the mid 1970s and 1980s. Packets from the 1960s contain a rich variety of information listing students by major and hometowns, scholarship recipients, faculty members, foreign students, and a list of student religious affiliations. Materials from the late 1960s through the 1980s primarily consist of course schedules.
