**ABSTRACT:**

The Department of Inter-Collegiate Athletics collection contains sports records, scores, statistics, clippings, photographs, and films relating to athletics at Gustavus Adolphus College. Materials regarding the Gustavus Athletic Hall of Fame Banquets and the Minnesota Intercollegiate Athletic Conference (MIAC) are also included. The Department of Intercollegiate Athletics includes all intercollegiate, intramural, club, and recreational athletics at Gustavus Adolphus College.

**HISTORICAL NOTE:**

Athletics were not an original part of daily life at Gustavus Adolphus College. The first tennis club was organized in 1892-93, and in 1896 an athletic club was organized with a membership of 40 men. This club turned into the Centennial Athletic Organization in 1900. This group was a student-run body that would schedule football, basketball, and baseball games with other schools from neighboring towns. The first intercollegiate game played by Gustavus was a football game against a team from Mankato Normal on 6 November 1902. The first intercollegiate basketball game was played by the 1902-03 women's team against Mankato Normal on 14 February 1903. In 1904, President Peter A. Mattson put an end to football because he felt it interfered with religious, moral, and academic life. At the Augustana Synod meeting in June 1905, they decided to forbid all intercollegiate competition by its colleges.

In the summer of 1910, after much agitation and resistance from students, the synod voted to remove the athletic ban for all sports except football. Football was not reinstated at Gustavus until 1917. By 1920, Gustavus became a charter member of the Minnesota Intercollegiate Athletic Conference (MIAC). George Myrum became director of athletics in 1926, and during his 12 years at Gustavus he made a name for the athletic program. During the 1937-38 school year, he won five state championships in football, swimming, basketball, gymnastics, and baseball. Myrum helped push the College to erect a stadium, the first stadium in the region with lights that allowed for evening football games. He also pushed for the construction of a field house; unfortunately, he did not see it completed in 1939 because he died in a bus crash during 1938.

In 1942, new president Walter Lunden tried to discontinue athletics for the duration of the war. Students again resisted this decision, and the board overturned it. However, the victory did not last long; in 1943 MIAC cancelled all official competition for the war's duration. Lloyd Hollingsworth, athletic director under Lunden, found much success after the war, especially in football. Between 1950 and 1955, Gustavus won six consecutive conference titles. This was instrumental in helping to develop a strong tradition of athletics at Gustavus.<sup>1</sup>

From the beginning of MIAC in 1920 through the 2009-10 school year, Gustavus athletics have won 227 MIAC titles.<sup>2</sup> Currently, Gustavus offers twelve Men's Varsity sports: baseball, basketball, cross country, football, golf, hockey, Nordic skiing, soccer, swimming and diving, tennis, and indoor and outdoor track and field; and thirteen Women's Varsity sports: basketball, cross country, golf, gymnastics, hockey, Nordic skiing, soccer, softball, swimming and diving, tennis, indoor and outdoor track and field, and volleyball.<sup>3</sup>

The Spring 2020 and Fall 2020 athletic seasons were largely cancelled or postponed due to the COVID-19 pandemic.
