ABSTRACT:

The Hillstrom Museum of Art collection consists of flyers and programs about different art exhibits beginning in 2000. Programs contain artist information and notes, images and descriptions of displayed works, and the director's notes. There is also a book about items from Richard L. Hillstrom's personal collection, a list of the Hillstrom Museum's art exhibits, and a book of essays discussing works from the Hillstrom Museum's *Focus In/On* program.

ORGANIZATIONAL NOTE

"The Hillstrom Museum of Art has spacious galleries, and during the academic year has an active schedule of temporary exhibitions of national, international, and regional artwork, art from the permanent collection, and also exhibits of student and faculty artwork."

Gustavus Adolphus College graduate Reverend Richard L. Hillstrom, Class of 1938, collected art during his lifetime and donated a large number of these works to the college. His founding donation created the Hillstrom Museum of Art.
