**ABSTRACT:**

The J.P. Uhler collection contains materials from the life of Jacob P. Uhler. Most materials relate to his professional careers as both a professor and a pastor. These include addresses and lectures, correspondence, notebooks, and sermons. There are also materials related to his time as a student at Lafayette College and Lutheran Theological Seminary. Uhler was a professor of physical sciences, astronomy, and meteorology at Gustavus Adolphus College from 1882-1937. In addition, he served as acting president from 1911-13. During his time in St. Peter he was a founding member of Trinity Lutheran Church.

**BIOGRAPHICAL NOTE:**

Jacob Peter Uhler was born in Easton, Pennsylvania on 26 August 1854 to Frederic and Elizabeth (More) Uhler. He attended the state normal school at Kutztown, Pennsylvania. He received both a B.A. and M.A. from Lafayette College in Easton, Pennsylvania, and then attended a three-year course at Lutheran Theological Seminary in Philadelphia, Pennsylvania, graduating in 1881. Following graduation, he was ordained as a pastor of the Pennsylvania Ministerium at Pottstown, Pennsylvania.

After teaching at the normal school at Kutztown, he moved to St. Peter, Minnesota to answer a call for a professor of mathematics and natural sciences at Gustavus Adolphus College. During his fifty-five year career, Uhler became known as the "Grand Old Man of Gustavus." He served as vice-president from 1895-1932, and as acting president from 1911-13. After his death in 1941, the newly constructed men's dorm was named Uhler Hall in his honor, and idea initiated and promoted by students.

In 1892, Uhler became a co-founder of First English Lutheran Church (later Trinity Lutheran Church) in St. Peter, the first English Lutheran congregation of the Minnesota Conference of the Augustana Synod. He was an active member for 45 years.

On 28 June 1882, Jacob Uhler married Elizabeth Walter. They had five children, Frederick, Paul, Luther, Laura, and Francis, three who lived to adulthood. Elizabeth died on 6 July 1937, and Jacob died on 9 February 1941.
