

Will you please help me...

Find books on Sweden during World War II?

Locate information on silent film directors?

Find a review of this book?

Get access to the full text of this article?

Decide what databases should I search for biology research articles?

Find sources about misogyny and the internet?

Research the economic development of Chicago during the 1893 World's Fair?

Identify an observational study about ankle sprains?

Brainstorm about a project about recruiting teachers of color in my hometown?

Locate information on this composer?

Identify books for a genealogy project?

Properly cite this this speech?

Locate and cite a peer reviewed article by a Nobel conference speaker?

Find a men's monologue for an audition?
