Student Leadership Team -

President: Jay Michelizzi

Vice President: Nana Abena Boateng

VP Recruiting: Josie Carlson

VP Marketing & Communications: Lauren O'Connell

VP Event Planning: Rachel Erickson

VP Event Planning: Xitlalli Lopez

Core Values of the Mentoring Program

Discovery: for students and mentors to explore simple and deep questions about life, work, and vocation and remaining open to uncover insights that are inside an individual.

Integration: to intentionally integrate learning from the classroom and past experience into setting a course for future exploration. In addition, an integration of many departments and constituents is valued to make the program a success.

Qualities of a Good Mentee

Commitment
