

Gustavus Jazz Jamboree FAQs

Q: What is the Gustavus Jazz Jamboree?

A: The Gustavus Jazz Jamboree is a high impact educational jazz festival focused on high school students in the state of Minnesota. The festival is non-competitive, but recognizes individual outstanding musicianship via special citation. Each high school jazz ensemble gives a performance and then receives a personal 30-minute clinic from one of the esteemed clinicians. Multiple masterclasses are offered concurrently to the performances throughout the day. The final evening concert features a renowned guest artist with the Gustavus Jazz Ensemble.

Q: Who organizes the Gustavus Jazz Jamboree?

A: The Gustavus Jazz Jamboree is produced by many offices on campus including Fine Arts Programs, Admissions, Marketing, and Advancement, as well as the music department. Creative development and technical strategy are led by Dr. Dave Stamps, assistant professor of music, and Mara Klein, Director of Fine Arts Programs.

Q: When and where is the Gustavus Jazz Jamboree?

A: The 2019 Gustavus Jazz Jamboree occurs on Friday March 1st on the beautiful Gustavus Adolphus College campus. All performances, clinics, and masterclasses occur within Björling Recital Hall and the Schaefer Fine Arts center.

Q: What backline do we need to bring?

A: Cymbals, drum sticks/brushes/mallets, and aux percussion. We will provide drum sets, bass amps, guitar amps, pianos, vibraphones, and live sound reinforcement (mics, monitors, etc). We also provide music stands.

Q: Can we customize the performance stage plot?

A: Due to tight scheduling, we ask that you use the standard stage plot and sound reinforcement provided. We can certainly accommodate additional chairs and stands on stage.

Q: Are concert tickets included in the registration fee for the student participants and band directors?

A: Yes. We hope you'll stay and enjoy the performance!

Please be sure to park in the designated visitor spaces marked with blue street signs.
