

Save time and minimize congestion on Move-in Day

PARKING PERMIT
 Pre-register online by August 18 at gustavus.edu/safety/permits/. Your permit will be in your campus mailbox when you arrive on campus (or Aug. 26, whichever comes later). Parking policy enforcement begins the first day of classes!

Move-in Day Map

PITTMAN HALL

1. You must enter campus on the south side via Jefferson Avenue. Turn into campus at the intersection of Jefferson and South Entry Drive.
2. Take a right onto South Ring Road. Cars will be parked along the road in front of Sohre to unload.
3. First, remove all your items from your vehicle. This allows you to move your vehicle and make space for others while you move your items into the hall.
4. When you are finished unloading, please exit campus via the College Ave. exit, take a right onto 7th Street, and go to the first open parking lot in the following order. Lots are marked with a "P" on the map.
 - a. Behind Sjostrom House/Sohre Hall
 - b. Behind Pittman Hall
 - c. Next to the Melva Lind Interpretive Center
 - d. Next to PA Mattson Hall
5. **If you have extra vehicles that do not need to unload**, we encourage you to park in any of the lots above right away and don't wait in line with the rest of the unloading vehicles.

NORELIUS HALL

1. You must enter campus on the north side via Grace Street. Turn left into campus at the intersection of the softball field, the high school football stadium, and Diamond Dust bakery.
2. Take a left onto North Ring Road. Follow the arrows on the map above to get in line for unloading in front of Norelius.
3. First, remove all your items from your vehicle. This allows you to move your vehicle and make space for others while you move your items into the hall.
4. When you are finished unloading, please go promptly to the first open parking lot in the following order. Lots are marked with a "P" on the map.
 - a. Front of Norelius Hall
 - b. Gravel lot between College View Apartments & Swanson Tennis Center.
 - c. Front of Sorensen Hall
5. **If you have extra vehicles that do not need to unload**, we encourage you to park in any of the lots above right away and don't wait in line with the rest of the unloading vehicles.

DON'T FORGET!

- Complete the three online risk reduction programs by August 30. An email was sent around August 1 with your individualized link and instructions for completing the courses.
