## VÄLKOMMEN, TUAJ LOS, BIENVENIDOS...

No matter how you say it, welcome! We are pleased to receive you as the newest members of our campus community. As you have likely realized already, Gustavus is a stimulating and supportive environment where people both challenge and care for one another. Our “welcome” to you, therefore, is much more than an extension of hospitality. It is an invitation to active participation in the conversations, events, and relationships that bind us together.

I urge all of you to make a personal investment in Gustavus. Get to know faculty members and staff; reach out to fellow students; share with us your talents, insights, experiences, and dreams; in so doing, contribute to the vitality of our campus and local community. In other words, accept the many challenges to grow now before you, confident of our support and sure of our assistance.

We're delighted you've joined us!

Old Main was the only building on the Gustavus campus upon its completion in 1876. It has served the school in many capacities since that time—kitchen and dining rooms, student rooms, classrooms, and office space. Totally remodeled in 2005, it is now the home of the Classics, Philosophy, Political Science, and Religion departments as well as the Chaplains' Office. Some "surprises" that popped up during the renovation process were rediscovering the box where the rope that rang the clock tower bell once hung, the arched doorways in the hallways on the second and third floors, and two large cisterns underground in the basement.

## SUSTAINABILITY AT GUSTAVUS

How do our actions and utilizations of resources affect not only ourselves in the here and now, but those around the world and in the future? Living sustainably is not only an individual effort, but a local, regional, and global community effort. Here at Gustavus, sustainability is an essential part of our College’s core values of excellence, community, justice, service, and faith.

**What does this look like at Gustavus?**

**Renewable energy sources:** solar thermal, solar electric, and wind electric installations found at various buildings around campus

**Recycling:** Single sort bins in all academic buildings and dorms; discount when using reusable mugs/to-go containers in the Caf and Courtyard Cafe

**Composting:** All food waste and compostable containers are processed in our full composting facility, located at the Big Hill greenhouse

**Big Hill Farm:** Student-run garden, greenhouse, aquaponics, and hydroponics located on campus, fully functioning year-round and providing the Market Place with fresh produce.

**What can you do?**

THINK before you throw - where should this go?

KNOW what energy you are using, make an effort to turn off lights/excess sources, and take advantage of energy-savers, such as Gusties on the Go bike rental

USE and REUSE the GustieWare containers available in the Market Place if you need food to go

REMEMBER that special items have specific recycling places - batteries to the library, cardboard broken down next to bins, compost in the Campus Center

CONNECT with campus departments and orgs such as Gustavus Greens, Environmental Action Coalition, and Linnaeus Arboretum to learn more!

**YOU MADE IT!** Spend this evening relaxing and preparing yourself for classes tomorrow. Although orientation is over, your relationship with your Gustie Greeter is not. Continue to utilize them as a resource and friend throughout this first year. Your Greeter will stay in touch with you and will plan more activities for your orientation group to enjoy. Check “Your First 100 Days” calendar for opportunities to connect with others and acclimate to the Gustavus community!

Johnson Student Union was originally a gymnasium at the College, completed during the 1921-1922 school year. The current first floor was a regulation-sized basketball court. Above the court was a balcony for spectators and above that was a third level with a running track. A handball-squash court and swimming pool were in the lower level, currently The Dive, and portions of the original walls are still in place. Come and check out this piece of Gustavus history.

- 5 p.m. Class of 2023 Group Photo** *Hollingsworth Field*

- 8 p.m. The Life of a Gustie Athlete** *Beck Hall*

## INTRODUCING YOUR GUSTIE GREETERS
