

# NEW STUDENT ORIENTATION

August 31–September 3, 2012 | Gustavus Adolphus College

## BOUNDLESS POSSIBILITIES

# Välkommen, tuaj los, bienvenidos...

No matter how you say it, welcome! We are pleased to receive you as the newest members of our campus community. As you have likely realized already, Gustavus is a stimulating and supportive environment where people both challenge and care for one another. Our “welcome” to you, therefore, is much more than an extension of hospitality. It is an invitation to active participation in the conversations, events, and relationships that bind us together.

I urge all of you to make a personal investment in Gustavus. Get to know faculty members and staff; reach out to fellow students; share with us your talents, insights, experiences, and dreams; and in so doing, contribute to the vitality of our campus and local community. In other words, accept the many challenges to growth now before you, confident of our support and sure of our assistance.

We're delighted you've joined us!

Dr. JoNes R. VanHecke  
Dean of Students

# Welcome to Gustavus!

The Orientation program is focused on helping you with the transition to Gustavus and establishing a sense of belonging in this new college community. We know that feeling connected as a Gustie takes a different amount of time for each person. However, we hope that, with the assistance of many members of our community, you will begin to see this as your home.

Consider this booklet your syllabus for the next few days. It contains a complete Orientation schedule with descriptions of activities, as well as pieces of crucial information and a few random bits of fun facts. You are strongly encouraged to take part in all Orientation activities. You are a college student now, and you'll quickly find that what you get out of college is in direct correlation with what you put into the experience. The Orientation schedule is carefully laid out to maximize your first few days here socially, emotionally, and academically. We know it's a busy, stressful time and you may feel tired and overwhelmed. There will be plenty of time (more than you can imagine!) for you to arrange your room and just "hang out" once classes begin. On behalf of the Gustie Greeters and Student Activities Office, we sincerely hope your Orientation experience is positive and affirming of your choice to become a Gustie!

Old Main was the only building on the Gustavus campus upon its completion in 1876. It has served the school in many capacities since that time—kitchen and dining rooms, student rooms, classrooms, and office space. Totally remodeled in 2005, it is now the home of the classics, philosophy, political science, and religion departments. Some "surprises" which popped up during the renovation process were rediscovering the box where the rope that rang the clock tower bell once hung, the arched doorways in the hallways on the second and third floors, and two large cisterns underground in the basement.
