## **Gustie Greeter Contract 2013-2014**

Gustie Greeters serve as agents to promote the ideals of Gustavus Adolphus College and the New Student Orientation program. With this position, Greeters serve as role models to peers, specifically to new students as they begin their college careers at Gustavus. Gustie Greeters also serve as resources for families and provide support throughout the year to their Orientation Groups and campus wide programs in need of student leaders for assistance.

### **Time/schedule commitments:**

- ❖ Make the Gustie Greeter position a year-long commitment by attending meetings on Wednesdays at 9:00pm, weekly during the Spring Semester and monthly during the Fall Semester.
- ❖ Following the formal Orientation period, connect with each of the members of your Orientation Group on a regular basis and organize an activity for the group once a month.
- ❖ Participate fully in training sessions during the Spring Semester (unless you are a returning Greeter who is abroad) and during the six days prior to New Student Orientation in the fall.
- ❖ Participate fully in all of the days of New Student Orientation and adhere to all required meetings with Orientation Groups and programs.
- ❖ Sign up for and actively participate in one of the Greeter committees working on different aspects of the Orientation program (i.e. parent relations, training and development, common reading, etc.).
- ❖ By May 8, 2013, choose and meet with a faculty/staff/administrator to work with you and your Orientation Group in the fall. Notify the Greeter advisor of your selection.
- ❖ Create and submit a final draft of a letter summer letter for your Orientation Group to the Student Activities Office by Wednesday, May 8, 2013.
- ❖ Return to campus for training on Saturday, August 24, 2013. Training will begin that afternoon.

### **Behavioral Expectations:**

- ❖ Understand the influential role you have as an upperclass student on incoming students and that your words and actions often frame initial perceptions of the College.
- ❖ Remain in good standing with the institution (not on academic or disciplinary probation) for the contract period. Maintain a minimum cumulative GPA of 2.50 or higher. Consider self a role model for others both academically and personally and behave accordingly.
- ❖ Support the goals, objectives, and philosophy of the Orientation program and the educational mission of the College.
- ❖ Present an open and accepting attitude for all lifestyles and choices, both with our new students and within the Gustie Greeter staff. Treat self and others with respect during the entire contract period.
- ❖ Behave in a manner consistent with the Ethical Guidelines for Gustie Greeters (attached).
- ❖ Not consume alcohol or other mind altering drugs during the six days of fall training and the four days of New Student Orientation (August 24 – September 3, 2013). Any use of these substances during these days will be grounds for immediate dismissal.

***Violation of these contract stipulations can result in the loss of your position as a Gustie Greeter.***

## Gustie Greeter Ethical Guidelines

This document is intended to make behavior expectations for Greeters more explicit and inform judgments which will support our position on campus as role models. The spirit of the information lies first in personal accountability, second to interventions with others, and finally through reporting when necessary.

### Confidentiality:

- All staff must abide by the Family Education Rights to Privacy Act (FERPA) which will be explained in training.
- Keep conversations about others appropriately private and confidential.
- Do not share personal or confidential material you have received – either from the college about a student or from the student him/her self – with others unless it is a situation in which you are a mandated reporter.
- Do not share any personnel and/or selection information with anyone not directly involved with the decision.

### Technology:

- Display a positive image of yourself on any form of social media: Facebook, Twitter, Tumbler, etc.
- You may accept a Facebook friend request from your greetees once New Student Orientation week is over and classes have begun.

### Academic Honesty:

- Uphold the Gustavus Honor Code

### Alcohol:

- If you are of legal age, use alcohol appropriately and responsibly.
- If you are under 21 make good choices, understanding that you are a role model to underclass students and that your actions impact not only yourself but every Gustie Greeter.
- Never publicize or promote the opportunity to consume alcohol to a greetee or any first year student.
- If you witness a greetee consuming alcohol, remove yourself from the situation. If you are concerned about the behavior, address the situation with the greetee on the spot (if they are a danger to themselves or others) or at a later time.
- If you are of legal age and plan to host an event with alcohol, abide both by federal and state laws (do not serve those under 21, do not sell) and a duty to care.

### Drugs:

- The use of illegal drugs is prohibited at all times.
- Use legal drugs responsibly.

### Hazing:

- Hold yourself to a “zero tolerance” standard for perpetrating hazing acts.
- Commit to not being a bystander of the hazing of others.
- If you witness hazing, stop the behavior in progress and report it either anonymously through the Silent Witness program or directly to a staff member.

### Relationships:

- Establish and nurture positive, inclusive personal relationships within the Greeter group
- Do not enter into an intimate relationship or encounter with any greetee for the duration of their first academic year. This compromises the mentor/mentee relationship that you have established and affects your group dynamic. Exceptions to this can be considered by setting up a joint meeting with the Greeter supervisor.
