WELCOME! This calendar includes a sampling of events and activities for Your First 100 Days. Each item has been selected to provide you with the opportunity to make connections and develop skills that will help you experience the five core values of Gustavus—Excellence, Community, Justice, Service, and Faith.

EXPLORE YOUR IDENTITY—INVEST IN OTHERS
You have joined a community of persons from diverse backgrounds who respect and affirm the dignity of all people. As a new student at Gustavus, this means truly knowing who you are and investing the time to learn about others.

EXPLORE YOUR IDENTITY
■ What is your ethnic/cultural heritage?
■ How does your heritage impact who you are today?
■ What role has faith/religion/spirituality played in your life?
■ How is your family alike or different from that of others?
■ What have your experiences been with people who are different from you?
■ How does who you are now, and what you believe today (your identity), impact others?
■ Why do you believe what you believe?
■ How do you imagine yourself to be the same or different four years from now (values, beliefs, traditions, opinions, etc.)?

INVEST IN LEARNING ABOUT OTHERS
■ Discuss families, heritage, faith, etc. with other students.
■ Visit with students, staff, and faculty in the Diversity Center—everyone is welcome!
■ Attend Daily Sabbath, Diwali, Day of the Dead Celebration, Mixed Blood Theatre, events sponsored by the Crossroads Program, Kwanzaa.
■ Take a class focused on a topic different from your background/experiences (ethnic/cultural heritage, faith tradition, gender, and so on).
■ Join a student organization that sounds interesting (and is different from what you have done in the past).
■ Ask others why they believe what they believe.
■ Volunteer to do community service.
ACADEMIC SUCCESS

Academics are an important part of the college experience. Here are 10 study tips to help ease the transition from high school to college. Make sure to check out all of the activities that celebrate Gustavus.

- Go to class. Skipping class is the #1 reason why students fail.
- Study at least 25 hours a week. College is a full-time job. You should be in class, studying, or doing homework 40 hours per week.
- Schedule some relaxation time. Everyone needs down time, but students need to manage their free time.
- Know the last day to withdraw. After this date, you cannot withdraw from a class. Look for an email from the Registrar regarding withdrawing from classes.
- Start your assignments early. The unexpected happens—you get sick or your computer crashes. Start assignments with plenty of time for the unexpected.
- Visit your advisor. Students need to meet with an advisor (usually in October or November) to plan for next semester.
- Go to your professors’ office hours. Professors like to help students.
- Take advantage of the tutors. Check with the Academic Support Center for specific information.
- Form a study group. Studying complex material is more efficient with a study group.

ROOMMATES 101

- Discuss habits and schedules. Do you stay up late or get up early? What about housekeeping? Some are neat and some are not (you might need to relax a bit) but negotiate who does what when.
- Talk about social and personal expectations. Discuss expectations regarding loud music, significant others, other guests (overnight or otherwise), parties, time to “have the room to myself” and revisit expectations often.
- Respect and compromise are key! Value differences—in interests, friends, appearance, religion, values. Respect and learn about your roommate and chances are he/she will respect you.
- Talk before problems become big (not Facebook, e-mail, or text—talk in person!) As issues come up, brainstorm together to find ways to compromise.
- Not working out? First, talk with your roommate about your concerns. Also discuss your concerns with the CF and if necessary, schedule a mediated conversation.

GUSTIES ARE BUDDIES

- GUSTIES STICK TOGETHER when they go out! Never leave a friend alone—travel together in a group. Arrive together, stay together, leave together!
- Tell someone where you’re going if you have to work in an isolated lab, practice room, or study lounge.
- Don’t walk alone, especially after dark. Take a buddy and stay on populated, well-lit paths. If you need an escort, call Campus Safety.
- Take care of your stuff. Lock your door when you leave and remind your buddy to do the same.
- If you witness any suspicious behavior or if someone is in trouble, call Campus Safety immediately. Buddies watch out for each other and take care of our community by getting help if they need it.

WHAT’S HAPPENING?

While your academics should be your number-one priority, all work and no play make a Gustie a dull student! There are activities, events, and programs throughout the year and here is how you find out what’s happening on campus: College Calendar (gustavus.edu/news/calendar/) ■ Visit with your CF about upcoming events in your residence hall ■ Watch the changing wallpaper of posters in your building and around campus ■ Gustavian Weekly

IMPORTANT RESOURCES

Academic Advisor – Your faculty academic advisor is your number one resource for all of your academic questions and concerns. At Gustavus, advising goes beyond simply prescribing courses. Faculty and students talk about course choices, the integration of coursework and co-curricular choices, possible majors, and developing an academic program that will lead to further study or interesting careers. Visit your advisor early and often.

Academic Support Center (ASC) (x7227) – Along with your academic advisor, Collegiate Fellow, and professors, the ASC staff offers advising and academic support services, as well as providing for the needs of students with disabilities. Conversations about how to take good notes, manage your time, and majors all happen at ASC.

Campus Activities Office (x7598) – The Campus Activities Office serves the campus as a resource for student leadership and programming, working with student organizations to develop high-quality programs for students. Looking for something to do? Want to join or start a student organization? The Campus Activities Office is a great place to start.

Campus Safety (x8888) – Campus Safety is on duty 24 hours a day to provide the safest environment possible. The uniformed officers are responsible for residence hall, academic building, and grounds security, and respond to health and safety concerns. Each officer is also a trained First Responder.

Career Development (x7575) – Career Development helps students with career development to Explore (self and world or work), gain Experience (Career Explorations and Internships), and Transition to what is after Gustavus. In addition to Peer Career Advisors available during most office hours, Career Development offers Career Interest Cluster(s) with a designated Career Specialist and career specific information; on and off campus events and fairs; an Alumni Career Mentor program.
Center for International and Cultural Education (x7545) - More than half of all Gustavus students study away before they graduate. Some students go on a January Interim off-campus program, others study away for a semester or academic year, and many students study away more than once. These students know that study away not only provides an opportunity for travel, helps you learn a language, and gives you experiences a classroom setting just cannot provide, but that it also enhances your employment prospects after you graduate. We are here to help you decide the best time and the best program for you!

Chaplains’ Office (x7446) - The Chaplains’ Office seeks to serve the entire Gustavus community—students, staff, faculty, alumni, and friends. The center of our ministry is the worship of God rooted in the Lutheran Christian tradition. At the same time we value and support ecumenical cooperation and interfaith dialogue.

Collegiate Fellows (CF) – Collegiate Fellows are carefully selected returning students who receive extensive training in peer counseling techniques, activity and program development, and academic and campus resources. The CF’s primary role is to help facilitate a positive living environment and act as your number one resource for information. The best part is they live right down the hall!

Community Engagement Center (x6011) – Do you value service to the community and social justice? Volunteering helps people be healthier, happier, and live longer. Your help is needed in the schools, as a youth mentor, as a companion to an elder, or building affordable housing. Stop by the CEC for individualized support finding community-based learning opportunities, join our one-time volunteer list, or search online using Gustavus Engage. Explore your interests, learn new skills, and make a difference in the world!

Counseling Center (x7027) – The Counseling Center works with Gustavus students to enhance their personal development and academic achievement. At times, students experience relational, emotional, social, or academic difficulties that they cannot fully resolve on their own, and find it helpful to talk to a professional counselor. The Counseling Center provides a variety of free, confidential services, including individual and group counseling, consultation, programs and workshops, training, and referrals to off-campus mental health resources.

Diversity Center and Multicultural Student Programs and Services (x7449) – The Diversity Center is the hub to all students, staff and faculty who are interested in learning more about and actively participating in shaping the climate of our campus. It is the mission of the Diversity Center to provide leadership for positive and equitable change that creates a welcoming and supportive environment for persons historically underserved in American colleges and universities.

Stop in to learn more about the student organizations—Diversity Leadership Council or I Am We Are—to help plan a cultural event, to participate in an “excellence in diversity” workshop, or to just hang out.
**Gustie Greeters** – The Gustie Greeters are a group of 50 returning student leaders who plan, organize, and lead incoming students through New Student Orientation. Each Greeter leads activities, discussions, and events for a small group of first-year students during the four day Orientation program. Gustie Greeters continue to be mentors, resources, and friends to these students throughout their first year and beyond.

**Health Service** (x7630) – The Student Health Service provides care and/or referral for acute medical injuries and illnesses, performs preventive health examinations, and promotes health and wellness through health maintenance, health education, and public health initiatives to maximize the lifelong health and learning of students. Tips: Get good sleep, eat right, and be active! Check out learntolive.com/partners.

**Peer Assistants (PAs)** (x7607) – The Peer Assistants (PAs) are certified peer health educators who promote healthy, balanced lifestyles for the College. They help create a campus environment in which students feel empowered to make choices that contribute to their individual and community wellbeing. In addition to providing students with educational workshops, awareness, activities, and referral to on- and off-campus resources for a range of topics—chemical health, sexual health, stress management, nutrition, and healthy relationships, to name a few—the PAs offer important perspectives about wellbeing-related topics across the campus community.

**Residential Life** (x7529) – The mission of the Office of Residential Life at Gustavus Adolphus College is to complement the academic mission of the institution by providing a living environment for students conducive to learning and development. Residential staff is committed to fostering a community in which students respect and affirm the dignity of all persons.

**Your Roommate!** – Getting along with a roommate and sharing a living space are two of the key issues new students worry about. You have been assigned a room where you will sleep, study, relax, and entertain friends—and you are sharing this space with someone you most likely just met. Take the time now to get to know your roommate!
