PARENT ACCESS TO GRADES AND FINANCIAL STATEMENTS

PARENT WEBADVISOR

WebAdvisor — the web-based system that allows Gustavus students to access important academic information — provides students the ability to grant parents and/or others access to information on WebAdvisor.

Students are able to grant their parents access to view the following WebAdvisor options:

- Check grades
- View Transcript
- My Documents (Financial Aid)
- View 1098-T Statement.
- My Class schedule
- Financial Aid Award Letter
- Student Account Statement

Access granted is completely controlled by and at the discretion of the student. Students can grant as many of the options to their parents as they choose. Each parent is able to have their own WebAdvisor login (created by the student) and only be able view what the student has selected. Students are responsible for communicating login information and providing any assistance to their parents. In compliance with federal privacy laws, parents cannot contact Gustavus directly for student record information.

On the Student WebAdvisor Menu <http://gustavus.edu/go/webadvisor/students>

- Manage parent access to your records
- Reset Parent's WebAdvisor Password
