Hello gorgeous Gusties! My name is Emily and I am a sophomore and a [hopeful] nursing major! Later this month I am applying for the nursing program, so wish me luck! On campus, I am involved with the St. Lucia choir and I am also a part of an intermural ultimate Frisbee team. One thing everyone should know about me is that I LOVE dogs, like seriously, they’re the best ever! At home I have a miniature pug named Millie and a yorkie-shih tzu mix named Oscar. I am so excited for all of the fun events the Peer Assistants have planned this year. I enjoy talking about all aspects of health including chemical, sexual and mental! Please stop by the office whenever you have questions or want to strike up a chat. Make sure you swing by the peer assistant office on Mondays for free coffee and tea from 7:30-10am, and meet all of the PA’s smiling faces! Can’t wait to see you all there bright.

Cultural Appropriation Speaker Adrienne Keene
October 22nd at 7–8pm Alumni Hall
Adrienne Keene (Cherokee Nation) is a Native scholar, writer, blogger, and activist. She is the creator and author of Native Appropriations, a blog discussing cultural appropriation and stereotypes of Native peoples in fashion, film, music, and other forms of pop culture. She will be speaking about cultural appropriation during halloween, and the damage that can be caused by insensitive stereotypes and representations.

Don’t mean to be in trusive, but hi! My name is Elle Vetter, I’m a junior psychology and biology double major - pursuing a career in forensic psychology. You’ll typically find me in the PA office or sitting on a box running the clock at the basketball court, as I’m the student assistant for the men’s basketball team! So far I’ve spent my weekends watching Dateline or Gustie Football, and hanging out with friends. There’s nothing I love more than being a helping hand for my peers, which is why I’m so excited to be a peer assistant! I’m passionate about everything we do as PAs from mental health education to chemical health education to sexual health education. Stop by during our office hours (M-Th, 5-9 pm) to chat about anything and everything, or get a free cup of coffee every Monday morning with Perk Up With The PAs from 7:20-10! I hope I see you around!
