**GUSTAVUS ADOLPHUS COLLEGE  
HOLY LAND STUDY TOUR**

OCTOBER 10-23, 2022

**PROGRAM LEADERSHIP BY:**

DR. DARRELL JODOCK + REV. GRADY ST. DENNIS

# ABOUT THE PROGRAM

*Israel "is a land where the Bible is at home. This tiny corner is the spot where the most sublime moments of encounter between God and man took place, where the most precious visions were born. Just being in the land is a recalling. It is like being embraced by an air of spirit. Living in the land is a confrontation with the prophets. The land is different. It is an inspired land. Just to be in the land is a religious experience." Adapted from "Israel: An Echo of Eternity," by Abraham Heschel.*

Gustavus invites you to travel to the Holy Land with alumni and friends. From our own personal experience of the Holy Land, we have crafted a journey that will engage your whole person--mind, body, and spirit. Daily devotional thoughts and educational sessions have been designed to accompany and enhance each powerful experience of the planned itinerary. Your visit to places mentioned in the Bible will bring alive the narratives and teachings recorded there and inspire you to understand them differently. Hearing from contemporary Israelis will add significant insights. And traveling with interesting and interested colleagues will enrich the overall travel experience, including its enjoyment. We look forward to having you along.

Tours of historic city centers are usually all by foot. Fully participating requires: walking some days up to four miles; often one mile at a time at a moderate pace; managing uneven surfaces, steps and inclines without assistance. Itinerary is not wheelchair, scooter or walker accessible. Consult with Carrousel Travel or tour host with questions about walking and mobility requirements. Carrousel Travel, in consensus with tour hosts and destination partner, reserves the right to not accept or withdraw any participant whose ability to participate in the tour or whose conduct is incompatible with the operation of tour or the interests of the entire group.

## TRAVEL CONDITIONS + ADVISORY

Carrousel Travel regularly communicates with our in-country partner in Israel as well as monitors travel information from the U.S. Department of State. Israel, the West Bank, and Gaza have been under a U.S. Department of State Travel Warning since October of 2000. In January 2018, the U.S. Department of State changed how travel conditions are presented, replacing Travel Warnings and Travel Alerts. Every country has a Travel Advisory based on one of 4 advisory levels. Please read the current Travel Advisory for Israel, the West Bank, and Gaza: <https://travel.state.gov/content/travel/en/international-travel/International-Travel-Country-Information-Pages/IsraeltheWestBankandGaza.html>. All participants must read the Travel Advisory associated with traveling to Israel, West Bank and Gaza, as noted in the program brochure and agree to the Travel Advisory release waiver at time of enrollment.

Carrousel Travel will continue to monitor information from the U.S. Department of State, CDC, Israel Ministry of Tourism and Israel Ministry of Health. If Carrousel Travel has information that safe travel is compromised, the program would be adjusted, postponed or canceled in consultation with tour hosts Gustavus Adolphus College depending on the circumstances. This program has been planned with every safety measure in mind. If any safety concerns would develop during your time in Israel and Palestine, adjustments will be made to the itinerary avoiding areas considered unsafe.

### **Change in travel conditions and financial risk:**

If political/civil unrest would change the travel conditions in Israel/Palestine and Carrousel Travel along with the tour hosts/Gustavus Adolphus College become concerned about participant safety, the program will be adjusted, postponed, or possibly cancelled. If the program is cancelled at 46 days or fewer from departure, the refund will be based on recoverable costs less a two-hundred dollar administration fee, with possible forfeiture of the entire program cost per the cancellation and refund policy above.

Depending on the situation, the airline may or may not reimburse participants for their airline ticket. If the airline cancels flights, airfare is usually reimbursed. If flights are not cancelled and Carrousel Travel and tour host Gustavus Adolphus College cancel the program due to a change in travel conditions, there is a risk the airline will not refund the airfare. The airline may allow participants to use the value towards other flights within a 12-month period. There is no guarantee of the airline policy as it depends on the circumstances and decisions made by the airline in addressing the situation. Airline tickets for this program are approximately \$1,500 including taxes and fuel surcharges. Please be advised of this financial risk. For any participant purchasing their own airline ticket, be advised the program could be altered, postponed or cancelled due to a change in travel conditions and the said participant will be responsible for requesting a refund or changing their tickets.

Cancellation and refund policy is subject to change based on confirmation of travel arrangements.
