GUSTAVUS ADOLPHUS COLLEGE

OFF CAMPUS INDEPENDENT STUDY PROPOSAL INTERNATIONAL SITE

(not sponsored by Gustavus)

Complete this form, obtain signatures from the instructor, department chair, and associate provost. The Provost's Office will deliver to the Registrar's Office for registration if approved.

Student Guidelines for an Independent Study:

- Student has adequate background in subject area (s).
- Student has the initiative and ability to pursue a study independently.
- Student will conduct study in tutorial relationship to faculty member, meeting at regular intervals to discuss progress.
- Student may register for no more than one course of independent study per semester.
- The independent study will be completed within the term indicated in registration.
- The independent study must be letter graded (e.g., ABCDF).

Faculty Guidelines for an Independent Study:

- Faculty will assist the student to develop a high-quality independent study.
- Faculty will meet at regularly scheduled intervals with the student in order to discuss, review and monitor progress.
- Faculty will limit the number of student participants so that adequate guidance can be given to each.
- The instructor's entire department has approved the proposed independent study.
- The independent study must be letter graded (e.g., ABCDF).
